Adults, Corporate Solutions

Success is not a destination; it is a continuous upgrade.

The Comeback- Homemakers & Sabbaticals

Turning “hidden skills” into “marketable assets” through skill-mapping, online courses, diplomas and confidence-building for a smooth return to work.

The Accelerator- Working Professionals

Moving beyond technical skills into leadership, business acumen, communication and workplace personality insights, aligned with online MBAs and PG Diplomas

The Legacy- Senior Leaders

Strategic succession planning, mentoring frameworks and purpose-driven growth so that leaders create impact beyond their own role.

Transforming human capital into business growth.

Talent Diagnostics

Psychometric and competency mapping for founders, managers and teams- right person in the right role, succession pipelines and hiring support.

Customised Learning & Development

Behavioural skills, sales excellence, communication, customer service, team-building and leadership programmes tailored to MSMEs, Startups and Corporates

Strategic Upskilling with IIM & IIT Pedigree

Through partnerships such as TimesPro, Destiny Planners connects organisations to executive education from India’s top institutions –IIMs, IITs, XLRI and others- for leadership, digital transformation, finance, HR and analytics programs

One Roof- KG to CEO:
Scientific, unbiased career & education roadmaps for families and organisations

Why Career Guidance Matters?

- Wrong Stream/ Course Choice = Wasted 3-4 years
- No Guidance = Confusion, Stress, Regrets later
- Marks alone cannot predict career success
- Right guidance = Clear path, Confident choices, Successful future
- Know YOUR talents = Study Smarter, Not Harder

Discover Your Full Potential

Inborn Talent + Acquired Talent = 360° Career Blueprint

INBORN TALENT (DMIT)

Fingerprint Test reveals natural strengths, learning style & brain potential from birth

ACQUIRED TALENT (Psychometric)

Online tests measure current interests, personality & skills developed over time

India Campus
